

---

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF UTAH

---

ROY D. TAYLOR,

Plaintiff,

v.

BRANDON RUSSELL et al.,

Defendants.

**ORDER & MEMORANDUM DECISION**

Case No. 2:16-CV-961-CW

District Judge Clark Waddoups

---

Plaintiff, inmate Roy D. Taylor, filed this *pro se* civil rights suit, *see* 42 U.S.C.S. § 1983 (2016), *in forma pauperis*, *see* 28 id. § 1915. The Court now screens his Complaint and orders Plaintiff to file an amended complaint to cure deficiencies before further pursuing his claims.

**A. Deficiencies in Complaint**

Complaint:

- (a) may allege claims that concern the constitutionality of his conviction and/or validity of his imprisonment, which should be brought in a habeas-corpus petition, not a civil-rights complaint.
- (b) alleges claims that are potentially invalidated by the rule in *Heck* (see below).
- (c) possibly attempts to state claims of inadequate medical treatment by Utah State Prison personnel; however provides neither necessary factual details nor links any such possible claims to specific defendants.
- (d) appears not to have been prepared with help from the prison's contract attorneys.

**B. Instructions to Plaintiff**

Rule 8 of the Federal Rules of Civil Procedure requires a complaint to contain "(1) a short and plain statement of the grounds for the court's jurisdiction . . . ; (2) a short and plain

statement of the claim showing that the pleader is entitled to relief; and (3) a demand for the relief sought." Rule 8's requirements mean to guarantee "that defendants enjoy fair notice of what the claims against them are and the grounds upon which they rest." *TV Commc'ns Network, Inc. v ESPN, Inc.*, 767 F. Supp. 1062, 1069 (D. Colo. 1991).

Pro se litigants are not excused from complying with these minimal pleading demands. "This is so because a pro se plaintiff requires no special legal training to recount the facts surrounding his alleged injury, and he must provide such facts if the court is to determine whether he makes out a claim on which relief can be granted." *Hall v. Bellmon*, 935 F.2d 1106, 1110 (10th Cir. 1991). Moreover, it is improper for the Court "to assume the role of advocate for a pro se litigant." *Id.* Thus, the Court cannot "supply additional facts, [or] construct a legal theory for plaintiff that assumes facts that have not been pleaded." *Dunn v. White*, 880 F.2d 1188, 1197 (10th Cir. 1989).

Plaintiff should consider the following points before refiling his complaint. First, the revised complaint must stand entirely on its own and shall not refer to, or incorporate by reference, any portion of the original complaint. *See Murray v. Archambo*, 132 F.3d 609, 612 (10th Cir. 1998) (stating amended complaint supersedes original).

Second, the complaint must clearly state what each defendant--typically, a named government employee--did to violate Plaintiff's civil rights. *See Bennett v. Passic*, 545 F.2d 1260, 1262-63 (10th Cir. 1976) (stating personal participation of each named defendant is essential allegation in civil-rights action). "To state a claim, a complaint must 'make clear exactly who is alleged to have done what to whom.'" *Stone v. Albert*, No. 08-2222, slip op. at 4

(10th Cir. July 20, 2009) (unpublished) (emphasis in original) (quoting *Robbins v. Oklahoma*, 519 F.3d 1242, 1250 (10th Cir. 2008)).

Third, Plaintiff cannot name an individual as a defendant based solely on his or her supervisory position. *See Mitchell v. Maynard*, 80 F.2d 1433, 1441 (10th Cir. 1996) (stating supervisory status alone does not support § 1983 liability).

Fourth, "denial of a grievance, by itself without any connection to the violation of constitutional rights alleged by plaintiff, does not establish personal participation under § 1983." *Gallagher v. Shelton*, No. 09-3113, 2009 U.S. App. LEXIS 25787, at \*11 (10th Cir. Nov. 24, 2009).

• ***Heck***

Finally, the Court concludes that Plaintiff's claims appear to involve some allegations that if true may invalidate his conviction and/or sentencing. "In *Heck*, the Supreme Court explained that a § 1983 action that would impugn the validity of a plaintiff's underlying conviction cannot be maintained unless the conviction has been reversed on direct appeal or impaired by collateral proceedings." *Nichols v. Baer*, No. 08-4158, 2009 U.S. App. LEXIS 4302, at \*4 (10th Cir. Mar. 5, 2009) (unpublished) (citing *Heck v. Humphrey*, 512 U.S. 477, 486-87 (1994)). *Heck* prevents litigants "from using a § 1983 action, with its more lenient pleading rules, to challenge their conviction or sentence without complying with the more stringent exhaustion requirements for habeas actions." *Butler v. Compton*, 482 F.3d 1277, 1279 (10th Cir. 2007) (citation omitted). *Heck* clarifies that "civil tort actions are not appropriate vehicles for challenging the validity of outstanding criminal judgments." 512 U.S. at 486.

Plaintiff argues that Defendants violated his constitutional rights in a way that may attack Petitioner's very imprisonment. *Heck* requires that, when a plaintiff requests damages in a § 1983 suit, this Court must decide whether judgment in the plaintiff's favor would unavoidably imply that the conviction or sentence is invalid. *Id.* at 487. Here, it appears it may regarding some claims. If this Court were to conclude that Plaintiff's constitutional rights were violated in a prejudicial manner, it would be stating that Plaintiff's conviction and/or sentence were not valid. Thus, the involved claims "must be dismissed unless the plaintiff can demonstrate that the conviction or sentence has already been invalidated." *Id.* This has apparently not happened and may result in dismissal of such claims.

### **ORDER**

**IT IS HEREBY ORDERED** that:

- (1) Plaintiff must within thirty days cure the Complaint's deficiencies noted above.
- (2) The Clerk's Office shall mail Plaintiff a copy of the Pro Se Litigant Guide with a form complaint and habeas petition for Plaintiff to use should he choose to file an amended complaint or a habeas-corpus petition.
- (3) If Plaintiff fails to timely cure the above deficiencies according to this Order's instructions, this action will be dismissed without further notice.

DATED this 18<sup>th</sup> day of November, 2016.

BY THE COURT:

  
\_\_\_\_\_  
JUDGE CLARK WADDOUPS  
United States District Court
